

KINDERLETTEN

B-A

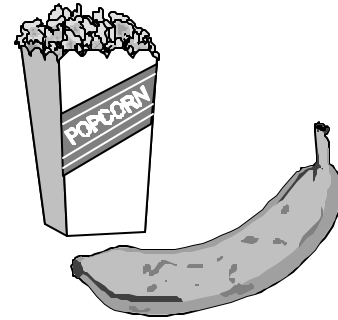

We heard the story of Benny the OYMaB and his birthday party! Our Bais Boys are Boruch, Binyomin and Avraham Binyomin.

Yellow day

Yellow day was so much fun! We painted with yellow paint, played with yellow playdough, and collaged a yellow school bus. We enjoyed a tasting party with lemons, bananas and yellow apples.. We even popped our own yellow popcorn and had lemonade for snack. Thank you, Shmuel Yitzchak Sabbah for bringing yellow jelly beans and Shauli Sebbag for bringing yellow straws.

Parsha

We "packed" Avrohom's suitcase and marched to igbf . rt.

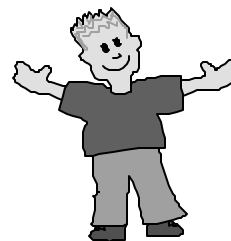

This Weeks Fingerplay

I have ten little fingers and
they all belong to me.
And I can do so many things!
Would you like to see?
I can shut them tight,
or open them wide.
I can roll them around,
or make them hide.
I can make them jump high,
I can make them jump low.
I can fold them together
and keep them just so.

All About Me

We've been busy tracing and coloring ourselves. Our self portraits are decorating our classroom. We've been comparing our baby pictures and our "big boy" pictures and talking about how much we have grown and changed.

Please remember to send in a box and pictures of me!
